**CYBEROO STRENGTHENS DIALOGUE WITH THE MARKET:
MEDIOBANCA JOINS ALANTRA AS CORPORATE BROKER**

Reggio Emilia, March 12, 2026 – **Cyberoo S.p.A.** (“**Company**”), an innovative SME listed on the Euronext Growth Milan Market, specialized in cybersecurity for businesses, announces that it has appointed Mediobanca – Banca di Credito Finanziario S.p.A. as Corporate Broker, which will work alongside Alantra in supporting the Company in developing and promoting relations with institutional investors.

The initiative is part of Cyberoo's ongoing efforts to strengthen its investor relations activities, with the aim of further increasing the Company's visibility within the financial community and making its dialogue with the market even more effective, continuous, and structured.

The assignment entrusted to Mediobanca is part of a strategy aimed at further consolidating Cyberoo's position among institutional investors, promoting a broader understanding of the company's business model, growth drivers, and value.

Cyberoo thus confirms its intention to continue on its path of development, while strengthening its presence in the financial market and its relations with the investor community.

“Mediobanca's support reflects our desire to take a further step in strengthening our presence on the capital market and to enhance the quality and intensity of our dialogue with investors. We believe that the Company's industrial path, the results achieved, and its development prospects deserve even greater recognition and understanding by the market”, said **Veronica Leonardi, CMO and Investor Relator of Cyberoo**.

Cyberoo S.p.A., a company listed on the Euronext Growth Milan stock exchange of Borsa Italiana, is an innovative Reggio Emilia-based SME specialized in cybersecurity for businesses, intended not only to protect IT systems from external attacks but also to implement a real strategy capable of protecting, monitoring and managing IT ecosystem information. Cyberoo addresses the medium-sized enterprise market with a broad and deep portfolio of enterprise solutions developed using the most advanced technologies and with a value chain that allows it to set prices that are in line with our customers' spending power.
