

PRESS RELEASE

## CYBEROO WILL TAKE PART IN THE MID&SMALL | PARIS 2026 EVENT

Reggio Emilia, March 17, 2026 – **Cyberoo S.p.A.** (“**Company**”), an innovative SME listed on the Euronext Growth Milan market and specializing in cybersecurity for businesses, announces its participation in “Mid & Small | Paris 2026,” scheduled for today, Tuesday, March 17, and Wednesday, March 18, 2026.

The event, organized by Virgilio IR with the support of Mediobanca and hosted at the Mandarin Oriental Hotel in Paris, with Barabino & Partners International and CDR Communication serving as conference sponsors, is a long-standing opportunity for some of Italy’s leading publicly traded companies to meet with international institutional investors.

This will be an opportunity for Cyberoo to present its latest developments, strategies, and growth prospects, and to highlight its position as a vendor of advanced cybersecurity solutions and services. The event will also unveil Keatrix – *Human Risk & Security TrAlning Platform*, the new advanced platform based on adaptive artificial intelligence for human capital training. The event will also provide an opportunity to present to investors the strategic acquisition of trade receivables from Sedoc Digital Group, aimed at streamlining business processes and further strengthening Cyberoo’s operations, with a focus on transparency and value creation in the medium and long term.

Veronica Leonardi, Board Member and Investor Relator at Cyberoo, will present the company’s growth trajectory tomorrow, Wednesday, March 18, during *one-on-one* meetings with institutional investors in attendance.

Investor materials are available for review on the official website [www.cyberoo.com](http://www.cyberoo.com), in the “*Investor Relations*” section.

\*\*\*

**Cyberoo S.p.A.**, a company listed on Borsa Italiana’s Euronext Growth Milan, is an innovative SME based in Emilia-Romagna that specializes in cybersecurity for businesses. This approach goes beyond simply protecting IT systems from external attacks; it involves developing a comprehensive strategy capable of protecting, monitoring, and managing information within the IT ecosystem. Cyberoo targets the mid-market with a broad and deep portfolio of enterprise solutions, developed using the most advanced technologies and supported by a value chain that allows the company to offer prices aligned with this market’s budget constraints.
