## **CYBEROO STRENGTHENS COMMERCIAL MOMENTUM IN ITS CORE CYBERSECURITY BUSINESS**

**In 2025 fiscal year, 814 contracts were signed with 462 customers, compared with 607 contracts with 328 customers in 2024 fiscal year**

Reggio Emilia, April 1, 2026 - Cyberoo S.p.A. (the “Company”), an innovative SME listed on Euronext Growth Milan and specializing in cybersecurity for enterprises, announces a significant strengthening of its commercial momentum in its core cybersecurity business during 2025 fiscal year.

During the period, 462 customers signed a total of 814 contracts, compared with 328 customers and 607 contracts in 2024 fiscal year.

The above data refer exclusively to Cyberoo S.p.A., excluding other companies in the Group, and pertain solely to the cybersecurity business segment.

It should be noted that the 2025 fiscal year has an exceptional duration of 15 months, compared to the 12 months of the 2024 fiscal year. Accordingly, the commercial data presented above should be interpreted in light of the different reporting periods. Within this context, the growth recorded in both the number of clients and contracts signed nonetheless confirms a positive commercial trend and a strengthening of the Company’s position in its reference market.

This performance reflects the effectiveness of the initiatives undertaken by the Company during the year, including the progressive strengthening of its commercial and distribution capabilities, as part of a strategy aimed at supporting business growth and expanding market penetration.

**Fabio Leonardi, CEO of Cyberoo**, stated: *“The commercial results achieved in fiscal year 2025 confirm the strength of Cyberoo’s growth trajectory in its core cybersecurity business. Although the fiscal year was of a different length compared to the previous one, the increase in the number of customers and contracts signed is a clear indication of the effectiveness of the strategic and commercial decisions implemented by the Company during the period. The ongoing strengthening of our distribution and commercial capabilities has made a concrete contribution to sustaining this positive momentum.”*
