

PRESS RELEASE

**THE NEW TECHNOLOGICAL NEEDS FOR DIGITIZATION AND SECURITY, LINKED TO COVID-19 AND SMART WORKING, PUSH CYBEROO REVENUES.
NEW IMPORTANT CONTRACT SIGNED, AFTER THOSE TWO OF THE LAST MONTH, WITH A LEADING COMPANY LISTED ON STAR ITALIA**

Reggio Emilia, 09 September 2020 - **Cyberoo S.p.A**, an innovative SME listed on AIM Italia, specialized in cyber security for companies, continues its growth path also in relation to the new technological needs, for digitization and security, connected to the current pandemic situation and smart working.

After the two important contracts signed in the last month, Cyberoo has in fact signed a new important **contract for the sale of the Cypeer service with an Italian company, listed on the STAR Italia list, world leader** in its sector and operating in over 100 countries in the world.

The sale, which took place through the strategic partner **Sedoc Digital Group** (historical group active in the Information Technology sector), initially involves the activation of the **Cypeer** security platform on all customer stations, approximately 900.

To the annual contract, worth a total of **34 thousand euros** (gross of the distributor's fees), are added 3 additional months of free use provided by **Defense For Italy** plan, the initiative promoted by Cyberoo in support of Italian companies on the occasion of the recent lockdown due to the Covid emergency.

***Veronica Leonardi**, Executive Board Member and CMO of Cyberoo said: "Cyber security is today more essential than ever, especially in light of the frequent use of smart working following the pandemic. This new contract allows us to further consolidate our presence on the mid-large enterprises market and again certify the effectiveness of our solutions".*

CYPEER is a Managed Detection & Response service, based on a platform that collects and correlates all information and logs from security applications already present within the customer's IT ecosystem and beyond. Thanks to artificial intelligence, the system can identify latent attacks and problems not otherwise visible, which it immediately notifies the Cyberoo i-SOC active 7 days a week, 24 hours a day.

Cyberoo

Cyberoo, a company listed on the AIM Italia Market of the Italian Stock Exchange, is an Innovative SME from Emilia specialized in cyber security for companies, intended not only as protection of IT systems from external attacks but as the creation of a real strategy capable of protecting, monitoring and manage the information of the IT ecosystem.

Cyberoo targets the medium-sized business market with a broad and deep portfolio of enterprise solutions, developed using the most advanced technologies and with a value chain that allows it to offer this market prices in line with spending capacity.
