

PRESS RELEASE

CYBEROO SIGNS A RELEVANT CYBER SECURITY AGREEMENT FOR 100,000 EURO ANNUAL THROUGH THE STRATEGIC PARTNER SEDOC AND ADVANCES IN THE ENTERPRISE MARKET

Milan, 20 December 2019 - Cyberoo S.p.A. (the "Company" or "Cyberoo"), Innovative SME specialized in cyber security for businesses, announces that it has signed an important multi-year contract for the sale of the full "Cyber Security Suite" with a total value of 100,000 euro per year, which occurred through the strategic partner Sedoc Digital Group ("Sedoc"), historical group active in the Information Technology sector.

The contract was signed with an important company in the Emilia region, an enterprise leader in its reference market and worldwide operator with over 2,000 workstations, including appliances, endpoints and servers.

This agreement, which follows the details previously communicated (see the press releases of 31 July 2019 and 6 September 2019 available on the website of the Issuer – www.Cyberoo.com, Investor Relations / Press Releases section) confirms the quality of the Cyberoo solutions and the business model strategy based on the channel of distributing partners in continuous expansion.

Fabio Leonardi, CEO and co-founder of Cyberoo said: *"The success of this agreement not only consolidates the value of our cyber security solutions, but strengthens Cyberoo's climb in the enterprise market, allowing it to continue its expansion both nationally and internationally. We are satisfied with the growing results that we are obtaining thanks also to our distribution channels, which confirm the goodness of the partnerships signed"*.

Cyberoo

Cyberoo is an Emilian Innovative SME specialized in cyber security for businesses, intended not only as protection of IT systems from external attacks but mainly as the creation of a real strategy capable of protecting, monitoring and managing the information of the IT ecosystem.

Cyberoo addresses the medium-sized market with a broad and deep portfolio of enterprise solutions, developed through the usage of the most advanced technologies and with a value chain that allows to offer to the market prices in line with spending capacities.

Sedoc

Sedoc Digital Group s.r.l. was born in 1973 with the aim of offering consultancy, services and products in the Information Technology sector. Since then, Sedoc Digital Group s.r.l. has changed its structure in line with the evolution of the market, in order to propose a high-level quality standard in the provision of services and in the supply of products and technological projects. Sedoc Digital Group s.r.l., as Cloud & Managed Service Provider, positions itself on the European market as a single point of reference for all the requests of its customers.
