

PRESS RELEASE

**CYBEROO S.P.A. OPENS THE MILAN OFFICE AND
HIRES NEW PROFESSIONALS**

**The growth plan of the company listed on Piazza Affari and
specialized in IT security consultancy continues**

Reggio Emilia, 14 January 2020 - Cyberoo S.p.A., newly listed on the AIM and specialized in cyber security for businesses, opens an **office in Milan** and inserts in its staff **ten new resources** from important multinationals companies.

The new office, which will be added to those of Reggio Emilia and Lodi, will be located in **Spaces**, in the Isola district, which is increasingly becoming an attraction for start-ups and dynamic IT-oriented companies.

The new ten profiles come from multinationals such as **Deloitte**, **Accenture** and others of international importance and specifically are: an **HR Manager**, four **Account Executives**, four **Business Developer Managers** and an **Application Developer**, each with a high professional standing and excellent skills.

The new resources will focus on **business development** activities, in line with the plans and announcements presented to investors and analysts in the past few months.

"Milan represents a fundamental place - says Fabio Leonardi, CEO of Cyberoo S.p.A. - and we couldn't not be present. In addition, the new human capital, coming from multinational companies, and the strategic partnerships signed in recent weeks with important national and international players are all important goals of our continuous growth path. In fact, Gartner's consultancy, distribution agreements with ICOS and DIGITAL360's consultancy support will allow us more extensive coverage on the national territory, guaranteeing the widespread diffusion of Cyberoo in the Italian market, confirming what was declared during the Roadshow. "

Cyberoo

Cyberoo is an Emilian Innovative SME specialized in cyber security for businesses, intended not only as protection of IT systems from external attacks but mainly as the creation of a real strategy capable of protecting, monitoring and managing the information of the IT ecosystem.

Cyberoo addresses the medium-sized market with a broad and deep portfolio of enterprise solutions, developed through the usage of the most advanced technologies and with a value chain that allows to offer to the market prices in line with spending capacities.
