

PRESS RELEASE

**CYBEROO SIGNS TECHNOLOGICAL PARTNERSHIP WITH RICCA IT  
AND CONSOLIDATES ITSELF ON THE ENTERPRISE MARKET**

**The agreement provides for the provision of Cyber Security  
services, Cyberoo's innovative Cyber Suite, throughout  
the whole country**

Reggio Emilia, 27 February 2020 – **Cyberoo S.p.A.**, an innovative SME listed on the AIM market of Borsa Italiana, specialized in cyber security for businesses, signs an agreement with **Ricca IT S.r.l.**, a company specialized in System Integration and Security services, aimed at both the private business market and the Public Administration.

The experience consolidated over the years by Ricca IT allows it to offer global services in line with new technologies and in integration with the best Hardware and Software Vendor solutions. These factors will expand the perimeter of synergies that could be activated by Cyberoo.

The partnership provides for the direct resale of Cyber Security services, included in Cyberoo's **Cyber Security Suite**, to Ricca IT's client companies throughout the country, therefore guaranteeing the Emilian company to consolidate its positioning on the **enterprise market**.

*"The agreement represents a new important factor of consolidation and growth for us - declares Davide Cignatta, Shareholder and Channel Development Director of Cyberoo -. In addition, the attention with which Ricca IT selects its technological partners, globally, testifies once again the innovation level and reliability of our solutions".*

The agreement with Ricca IT is fully part of the business development plan presented by Cyberoo to the financial community, which provides for a growth model based on carefully selected strategic partnerships.
