

PRESS RELEASE

**CYBEROO SIGNS PARTNERSHIP WITH ZEROUNO INFORMATICA SPA
AND STRENGTHENS ITS PRESENCE IN THE BRESCIAN INDUSTRIAL
AREA**

**The agreement provides for the sale of cyber security solutions to
local companies, as well as a plan for the direct purchase of these
licenses**

Reggio Emilia, 13 March 2020 - **Cyberoo S.p.A**, an innovative SME listed on the AIM market of Borsa Italiana, specializing in cyber security for businesses, signs an agreement with **Zerouno Informatica S.p.A**, a company specialized in providing advanced IT solutions for medium and large companies, strongly rooted in the industrial area of Brescia (North Italy).

The partnership provides for the sale of Cyberoo IT security solutions to Zerouno Informatica customers and, starting from June, a structured plan for the incremental purchase of licenses directly by Zerouno which will also use them to protect its own data center, from which it provides the services to client companies.

"The agreement with Zerouno Informatica represents for us a driver of growth on an important industrial area such as Brescia - declares Davide Cignatta, Shareholder and Channel Development Director of Cyberoo - and the attention with which Zerouno selects its partners confirms again once the high standard of our technological solutions".

With its headquarters in Brescia, Zerouno Informatica since 1990 represents a reference point for the important industrial sector in the area, to which it offers data center and infrastructure solutions, security and other high value-added services such as digital transformation, supporting them with **Industrial Cybersecurity, Cloud** and **Smart Working** solutions.

"We are convinced that companies' attention to cybersecurity will be one of the main trends in the coming years. With Cyberoo we are going to add a fundamental element to the range of technologies and services we offer to the market"- says Giancarlo Gervasoni, Executive VP of Zerouno Informatica.

As with other agreements, the one with Zerouno Informatica S.p.A is also fully part of the development plan presented by Cyberoo to the financial community, which envisages a growth model based on selected and carefully deployed strategic partnerships.

Cyberoo

Cyberoo, a company listed on the Borsa Italiana AIM Market, is an Emilian Innovative SME specialized in IT security for companies, intended not only as protection of IT systems from external attacks but as the realization of a real strategy capable of protecting, monitoring and manage information from the IT ecosystem. Cyberoo addresses the medium-sized market with a broad and deep portfolio of corporate solutions, developed using the most advanced technologies and with a value chain that offers a price market in line with spending power.
