

PRESS RELEASE

**CYBEROO S.P.A.: INTERMONTE SIM STARTS THE STOCK COVERAGE,
WITH BUY JUDGMENT AND TARGET PRICE AT 7.2 EUROS.
UPSIDE OF 94%**

Reggio Emilia, 26 May 2020 – **Cyberoo S.p.A.** (the "Company" or "Cyberoo"), an innovative SME listed on AIM Italia, specialized in cyber security for businesses, informs that Intermonte SIM has started covering the company's stock with a buy judgment.

The **target price** was set **at 7.2 euros per share**, with an **upside of 94%**, with reference to the last closing price available on the date of the research.

At the basis of the assessment expressed by Intermonte is Cyberoo's solid turnover and the growth potential of margins, supported by the strong development potential in the cyber security sector.

The study highlights how Cyberoo's technological capabilities in the artificial intelligence and machine-learning sectors, implemented in the leading solutions (Cyber Security Suite and Titaan Suite) made possible by the highly competent company structure / competitive costs, can lead in the coming years to a significant increase in volumes with vast economies of scale.

The research, which comes just over a month after the appointment of Intermonte Sim as Specialist & Corporate Broker of the company, thus enters Cyberoo fully into the group of TECH companies followed by Intermonte, among the most solid and promising in its sector.

The main independent investment bank on the Italian market, Intermonte Sim boasts a deep knowledge of the sector and its dynamics and provides for the most widespread Sales Force on the Italian stock market.

The research can be consulted on the website www.cyberoo.com in the Analyst Coverage section on the Investor Relations page.
