

PRESS RELEASE

**CYBEROO SIGNS A CYBER SECURITY AGREEMENT
WITH MULTINATIONAL LEADER COMPANY.
AN ANNUAL CONTRACT, VALUE OF 76 THOUSAND EURO,
THROUGH ITS STRATEGIC PARTNER SEDOC**

Reggio Emilia, 19 June 2020 - **Cyberoo S.p.A.**, an innovative SME listed on AIM Italia, specializing in cyber security for businesses, has signed a new important contract for the full sale of its innovative "**Cyber Security Suite**" service.

The agreement was reached with a **multinational company** (mid-large enterprise) **leader in its reference market** and operating worldwide in 13 locations with over 1200 employees.

With this agreement, signed through the strategic partner **Sedoc Digital Group** (historic group active in the Information Technology sector), for a total annual value of **76 thousand euros** (before distributor fees), Cyberoo further **consolidates the increase in average size for each order**, on a significantly higher level than that recorded in 2019 and confirms its positioning on the mid-large enterprises market.

Veronica Leonardi, Cyberoo Executive Board Member and CMO said: "*This new contract once again testifies to the goodness of our **innovative solutions** and confirms that **the business model, based on the channel of the distribution partners, is a winning strategy and it is therefore in continuous expansion***".

Cyberoo's **Cyber Security Suite** is a **highly innovative service aim to protect companies from any type of cyber attack**, even the most sophisticated and including those directed to remote connections typical of **Smart Working**. All in one platform that uses artificial intelligence, Big Data and the expertise of a specialized i-SOC, for 360° security, 7 days a week, 24 hours a day.

Cyberoo

Cyberoo, a company listed on the AIM Italia Market of Borsa Italiana, is an Innovative SME specialized in cyber security for businesses, intended not only as protection of IT systems from external attacks but as the realization of a real strategy capable of protecting, monitoring and manage information from the IT ecosystem.

Cyberoo addresses the medium-sized market with a wide and deep portfolio of enterprise solutions, developed through the use of the most advanced technologies and with a value chain that allows the company to offer prices in line with spending capacities of this market.

Sedoc

Sedoc Digital Group s.r.l. was born in 1973 with the aim of offering consultancy, services and products in the Information Technology sector. Since then, Sedoc Digital Group s.r.l. has organized its structure in line with the evolution of the market in order to offer high quality standard in the offer of services and in the supply of products and technological projects. Sedoc Digital Group s.r.l., as Cloud & Managed Service Provider, proposes itself on the European market as a single point of reference for all the requests of its customers.
