

PRESS RELEASE

**CYBEROO PROTAGONIST AT
“ITALIAN DAY IN FRANKFURT 2025”**

**INVESTORS WILL BE PRESENTED WITH THE RESULTS
OF 2024 AS WELL AS NEWS AND PERSPECTIVES ON 2025,
WITH A FOCUS ON GROWTH AND INTERNATIONALIZATION**

Reggio Emilia, January 22nd, 2025 – **Cyberoo S.p.A.**, PMI innovativa quotata sul mercato EGM di Borsa Italiana, specializzata in cyber security per le imprese, will participate at the Italian Day in Frankfurt 2025. The event organized by Polytems HIR in collaboration with Alantra, which will be held today and tomorrow in the town on the Main, represents a novelty for Cyberoo and offers it the opportunity to meet new investors in an important context dedicated to Mid-Small companies.

The event will be an opportunity for Cyberoo that is already committed to meeting Italian and international investors since the beginning of the year. The company will be able to illustrate the main results of the period just ended as well as the news and perspectives for development and growth that will mark 2025 and beyond. Particular attention will be paid to the ongoing internationalization process.

*“Starting the year by meeting new international investors is very important –said **Veronica Leonardi, CMO and Investor Relator of Cyberoo** –. We are confident that the work started in this direction with our new Corporate Broker Alantra will bear excellent fruit and will allow us to rapidly grow Cyberoo's positioning among the international financial community”.*

The presentation for investors will be available tomorrow, January 23rd, at 9:30 am in the "Investor Relations" section of the company website (<http://www.cyberoo.com>).

Cyberoo S.p.A., company listed on the Euronext Growth Milan Market of the Italian Stock Exchange, is an innovative Emilian SME specialized in cyber security for businesses, intended not only as the protection of IT systems from external attacks but as the implementation of a real strategy capable of protecting, monitoring and managing the information of the IT ecosystem. Cyberoo addresses the midsize business market with a broad and deep portfolio of enterprise solutions, developed through the use of the most advanced technologies and with a value chain that allows it to offer this market prices in line with spending capacity.
