**A FULL AGENDA OF MEETINGS WITH ANALYSTS,
ITALIAN AND INTERNATIONAL INVESTORS,
FOR A GENERAL OVERVIEW OF 2024,
IN ADDITION TO THE NEWS FOR
THE YEAR THAT HAS JUST BEGUN,
RESULTS IN POLAND AND FUTURE GROWTH**

Reggio Emilia, 17 February 2025 – **Cyberoo S.p.A.**, innovative SME listed on the EGM market of Borsa Italiana, specializing in cyber security for enterprises, announces its participation in the "EnVent Winter Conference 2025". The event, organized by Virgilio IR, which will be held tomorrow February 18th, at The Westin Palace in Milan, represents one of the most important moments of meeting between the company and Italian and international investors. It is also an opportunity to consolidate relationships within the financial community more broadly understood.

Interest in Cyberoo remains high, with a consolidated network of 15 companies, including Italian and foreign, already confirmed on the agenda for one-to-one meetings. It will therefore be an opportunity for Veronica Leonardi, Executive Board Member and Investor Relator, to provide a general overview of the business performance in 2024. Pending the release of the consolidated financial results, scheduled at the end of March, it will be introduced the growth trend, characterized by a high number of partners and new customers.

Focus then on the recent initiatives launched at the beginning of the year, as in the case of the share buyback program approved on [February 10th](#). Finally, the important results obtained abroad will also be illustrated, including the recent entry of a big-player of Polish large-scale distribution among the new customers, as announced on [February 5th](#). Concluding with the growth trajectories that will guide the company towards the achievement of new goals.

The presentation for investors will be available tomorrow, starting at 9:00 a.m. in the "Investor Relations" section of the company's website (<http://www.cyberoo.com>).

Cyberoo S.p.A., company listed on the Euronext Growth Milan Market of the Italian Stock Exchange, is an innovative Emilian SME specialized in cyber security for businesses, intended not only as the protection of IT systems from external attacks but as the implementation of a real strategy capable of protecting, monitoring and managing the information of the IT ecosystem. Cyberoo addresses the midsize business market with a broad and deep portfolio of enterprise solutions, developed through the use of the most advanced technologies and with a value chain that allows it to offer this market prices in line with spending capacity.
